

The Kingston Daily Freeman.

VOL. XLIX.—No. 163.

CITY OF KINGSTON, N. Y., TUESDAY EVENING, APRIL 27, 1920.

PRICE THREE CENTS.

MILK REMAINS CHEAP EXCEPT TO CONSUMER

Farmers Only Getting 6 1/2 Cents A Quart. But Retail Dealers Still Charging 13 Cents—May Price Likely About The Same.

This month the farmers who supply milk to Kingston have been receiving 6 1/2 cents a quart for their product, while the retail dealers are still charging the consumer 13 cents a quart, although they are buying milk from the farmer for nearly 3 cents a quart cheaper than in March. In many other cities the reduction has been passed on to the consumers.

Edward McSpirt, president of the Kingston Branch of the Dairy-men's League, this morning stated over the telephone that the price for May milk is fixed at league headquarters in New York, and as yet they had received no word as to what that price would be.

This morning's New York newspapers, however, state that the May price for milk will be the same as the April price. This being so the farmers will continue to receive 6 1/2 cents a quart for milk sold to Kingston's retail dealers.

There are no indications as yet that the Kingston retail dealers contemplate reducing the price to the consumer.

NEW JEWISH EXTENSION AGENT

The vacancy of special extension agent among the Jewish farmers in Ulster and Sullivan counties has been filled by the appointment of L. S. Reiner. Mr. Reiner gave up his post as instructor of vocational agriculture in Central Illinois to accept this position. He is best known among a good many of our farmers as former instructor at the Baron de Hirsch Agricultural School, Woodbine. He was born and raised on one of the best Jewish farms in Connecticut, his father being the owner of a large dairy and tobacco farm near Bloomfield, Conn., where Mr. Reiner got his practical experience in dairy, tobacco, truck and general farming. At an early age he entered the Connecticut Agricultural College, where he specialized in dairying and animal husbandry. Upon graduation he accepted a position as instructor at the Baron de Hirsch Agricultural School. He was well liked by the students and was popular among the faculty. His all-around and varied training fit Mr. Reiner eminently for the present position of extension specialist.

Mr. Reiner will have his headquarters at the Ellenville office of the Jewish Agricultural and Industrial Aid Society, 26 Center street, Ellenville, N. Y. This work is being carried on co-operatively by the New York State College of Agriculture and the Jewish Agricultural and Industrial Aid Society—Jewish Farmer, for May.

SOVIETS PREPARE FOR WORLD TRADE

Plans for the resumption of trade relations between Soviet Russia and the rest of the world are being pushed rapidly to completion at Copenhagen, said a dispatch to the Express today.

The Soviet mission at Copenhagen, headed by M. Krassin, has already signed trade agreements with a number of Danish firms.

Arrangements are being completed for holding an international conference there in May to which all countries desiring to trade with Russia are invited to send business representatives.

The Soviets are establishing a general clearing house at Copenhagen for their trade matters.

Payments are guaranteed in Russian gold.

Soviets and Letts Can't Agree.

Measles in the Crimea.

Measles, April 27.—The peace conference between the Letts and Soviet Russia has been suspended. Agreement was held to be impossible unless the Letts modify their demands. The Russian government regards the Letts' demands to the neutral territory to be inadmissible and the Soviet representatives have been ordered to return to Moscow.

From Rhine to England.

London, April 27.—England may not send a team of track and field athletes to Antwerp to compete in the Olympic games, it became known today. The British Olympic Council announced that its appeal for funds to meet expenses estimated at \$65,000, has failed to receive public subscription of only \$3,000 has been submitted.

Supreme Court Monday.

The May term of supreme court will convene Monday, May 3, at the court house, at 2 o'clock in the afternoon, with Justice Wesley O. Howard presiding. There will be both a trial and grand jury in attendance. The calendar for this term is a long one, containing 123 cases.

PAISH ATTACKS BRITISH TARIFF

My Telegraph to The Freeman.

London, April 27.—The British tariff wall, giving preference to the colonies and operating against the United States, is under attack by Sir George Paish, prominent British financial writer, who spent considerable time in America recently.

"One reason for America's change of attitude toward Europe and toward us," he said in a speech here, "is this, as a result of the war we have added something like two million square miles of territory to our empire. We now possess approximately 15,000,000 square miles.

"During the war we began putting a tariff wall around the empire. We are now asking America to come into the league of nations and protect it from aggression. If we are to remain friends with America we must take down this wall.

"We must admit American goods on the same terms that we admit our own. Our interests demand that we should continue to champion the policy of the open door. Unless we do so we shall have to maintain a great army and navy and the burden will crush us."

MANY UNIVERSES SAYS SCIENTIST

My Telegraph to The Freeman.

Washington, April 27.—This mundane sphere is only a drop in the bucket.

After centuries of pride in our universe, it develops that this is but one of the millions of universes.

H. D. Curtis, of the Lick Observatory, declared at the convention of the National Academy of Sciences here that development of powerful telescopes has proven that there is not one single universe, but possibly a million. Professor Shapley, of the Mount Wilson University, announced the development of telescopes, whereby their powers are increased one hundred times. Through these telescopes Professor Shapley has confirmed the existence of what Dr. Curtis believes to be individual universes.

Herbert Hoover tonight will be awarded a gold medal by the academy for the application of science to public welfare.

COMMUNISTS SEIZE LAIBACH

My Telegraph to The Freeman.

London, April 27.—Sanguinary street fighting has occurred at Laibach, where Communists have succeeded in seizing the city and organizing it, said a Vienna dispatch to the Express today. There were 25 persons killed and wounded. A general strike has been proclaimed.

Martial law has been proclaimed throughout Carniola in anticipation of May day disorders.

PRINT PAPER

Hearings to Begin Before Senate Subcommittee.

My Telegraph to The Freeman.

Washington, April 27.—Investigation of the print paper question from every angle will be begun by the senate sub-committee tomorrow with a view of throwing the entire question into open discussion for the discovery of a speedy remedy for the present shortage, according to Senator Reed, Democrat, of Missouri, chairman of the senate sub-committee.

Any publisher wishing to appear will be welcomed. The large publishers will open the hearings tomorrow. Any persons who will be unable to attend may submit their views in writing, all of which will be made part of the record.

Call on Men of Cities.

With a shortage of hired farm labor, as acute as in 1918, threatening to curtail food production on American farms, E. T. Meredith, Secretary of Agriculture, has issued an appeal to city men, college students, and others to spend their vacations working on farms, particularly as helpers in harvest fields.

Jimson Was Lying.

Abram Jimson, a negro 53 years old, who says he lives at Buffalo, but who has been sleeping at the city hall for the past week, was picked up Monday evening by Policeman Welch on a charge of loitering around the postoffice and hearing. He will hold an interview with Judge Schreck later.

Package for Switzerland.

Washington, April 27.—The post office department announces that by October 1st parcel post packages for Switzerland will be accepted to a weight of 33 pounds.

Meeting at Home For April.

The regular monthly meeting of the board of managers of the Home for the Aged will be held at the home on Thursday afternoon at 2 o'clock. There will be no executive meeting.

LABOR TROUBLES GROW IN FRANCE

My Telegraph to The Freeman.

Paris, April 27.—With a general 24 hours strike in all industry and a general cessation of business scheduled for May 1, France today was faced with a possibility that the strike may extend beyond the usual May day demonstration.

The railroad workers are insisting that the strike on the railroads be continued after May 1. They are opposed in this by the Federation of Labor.

The miners have decided to continue their strike until their demands have been met.

The printers announce they will go out on strike May 1.

REBELLION IN MEXICO AT CRISIS

My Telegraph to The Freeman.

Washington, April 27.—A crisis in the Mexican situation is at hand, according to reports reaching here today, and there is indication that the final struggle is impending which will determine the strength of the revolutionary movement against President Carranza.

Vague dispatches of fighting in the vicinity of Mexico City and official reports that a great battle is impending for possession of the port of Mazatlan, on the west coast of Mexico, brought the opinion here that there in a few days there will be a turning point in the revolutionary movement which will lead to further successes or will more firmly establish the rule of the Carranza government.

Capture of Mire and Guerrero, reported to General Alvarado here, showed the strongest evidence of new strength by the rebels.

General Hill is reported to be in control of the state of Morelos.

Information that General Gonzales has refused to join the rebels was accepted here as an indication of success by the Carranza government.

POSSE HUNTS BANK ROBBERS

My Telegraph to The Freeman.

Sandy Springs, Md., April 27.—Armed with shotguns, a posse today was hunting for seven unmasked bandits who swooped down on the First National Bank here late yesterday, shot and killed one of the directors, locked four men and a woman in the bank vault and made away with \$5,000 in cash and \$24,000 in bonds.

Frank M. Hollowell, a director of the bank, was shot dead when he rose from his chair as the bandits entered the bank. Five other persons in the bank were ordered into the vaults and the doors locked and it was not until nearly half an hour later that the robbery was discovered.

The bandits drove up to the bank in an automobile and it is believed that they made a speedy getaway.

Twenty thousand dollars reward for the capture of the bandits has been offered by state and county authorities.

"RED" REVOLT IN JUGO SLAVIA

My Telegraph to The Freeman.

London, April 27.—A Bolshevik revolution has broken out in Jugoslavia and hundreds of persons have been killed, according to a dispatch received by the Central News today from its Trieste correspondent.

Machine gun battles are in progress in several cities, including Belgrade, Agram and Lubina, said the dispatch. Casualties at Lubina total eighteen, at Agram twenty and at Belgrade hundreds, it was stated.

DANCE AND COMEDY

By Temple Emanuel Ladies' Aid.

Wednesday Night.

The program for an entertainment and dance to be given by the Ladies' Aid Society of Temple Emanuel at the Knights of Columbus Hall on Broadway Wednesday night contains the following features:

Songs by Tom Dolan, Helen and Angela Cashin in aesthetic dances, violin solo by Jacob Mollott, vocal solo by Miss Helen Freer, vocal solo by Helen Stern Mann, and "The Best Man," a comedy in one act. Those who will take part in the latter are: Frank Oulton, as best man; Tom Murray as bridegroom; Elsie Stern as the bride, and Miss Mary Oulton as Marion.

Following the entertainment dancing will be in order.

RECEIVINGS

Wednesday at Court House and G. O. P. Committee Organizers.

Wednesday will be a busy day at the court house. At 10 o'clock there will be hearings on the petitions of Henry Meyer to run an auto bus line between this city and Tully, on that of Edward G. Niemi to run a bus line between Saugerties and this city, one from Peter Klein to run one between the same place, and one from Charles T. Kidd to run an auto bus line between this city and New Paltz. At 12 o'clock noon the Republican county committee will meet in organizing by electing a chairman, a secretary and a treasurer, and for adopting rules and regulations.

Federated Council P. T. A.

The regular monthly meeting of the Federated Council Parent-Teachers Association will be held tomorrow afternoon at 3 o'clock at the high school. The president will give a report of the Federated meeting, and a report will also be given of the spring conference held at Saugerties.

WEIRTH WARNS OF FINANCIAL BREAK

My Telegraph to The Freeman.

Berlin, April 27.—Warning that the government is threatened with a financial breakdown was given by Herr Weirth, the minister of finance.

"Government appropriations to maintain present prices of food," he declared, "are greater than the total value of our harvest in peace time."

"We face a deficit of one billion marks (normally \$250,000,000) in our postal service and a deficit of twelve billions (normally \$3,000,000,000) on our railroads."

Herr Weirth complained that the cost of allied military occupation is very high and demanded an early fixation of the reparations which Germany will be called on to pay the allies.

SEEK ELKUND'S BODY IN SWAMP

My Telegraph to The Freeman.

Boston, April 27.—Search for the body of Oliver L. Elkund, young chauffeur of Providence, R. I., who the police fear was murdered, has narrowed down to Hockmuck Swamp, a desolate stretch of waste on the Taunton-North Easton turnpike.

The positive identification of the strands of Elkund's hair found in the bloodstained interior of a Sedan type automobile discovered deserted at Dorchester Lower Mills, coupled with the recovery of a bloody carpet on the edge of the swamp led the police to the mire of Hockmuck. Searchers penetrated the swamp, wading through shallow water, beating bushes and going over the entire expanse of a mile square.

The police also were trying to locate two well dressed men who engaged young Elkund at Providence Sunday night to drive them to Taunton. The trio were seen by a garage man at North Easton on the Boston road, a few miles from the swamp.

FEDERAL ROAD AID

Greene Notifies Counties of Latest Law.

Frederick S. Greene, state highway commissioner, Monday began notifying all counties of the provisions in the bill passed by the legislature relating to federal aid highway construction in the state. Under the new law, the mileage of federal roads is increased nearly one-third.

The commissioner on Monday sent the counties resolutions provided for their county's share of cost, which is thirty per cent. These resolutions must be executed and returned on or before May 5 in order that the counties may save their mileage of federal aid roads, and the allotment of government funds to the counties.

Federal aid roads are to be paid for thirty-five per cent by the government, thirty-five per cent by the state and thirty per cent by the counties. Under the federal law a signed agreement between the government authorities and the state authorities must be executed before July 1 to cover the 1919 allotment.

RODMAN PRAISES PACIFIC FLEET

My Telegraph to The Freeman.

On board the U. S. S. New Mexico, Los Angeles harbor, California, April 27.—Admiral Hugh Rodman, commander in chief of the Pacific fleet, in an exclusive interview with the International News Service today, caustically characterized as "typewriter tactics" the report that the Pacific fleet is an experiment.

"An experiment," scoffed the admiral with energy. "There you are, there it is again. It is the typewriter."

"Ambidextrous men whose leather-soled trousers were glued to catwalks in land-locked offices during the war are trying to accomplish the impossible with typewriters and naval arcs."

"The Pacific fleet is not an experiment. Our experience since coming to this coast nine months ago fully demonstrates the feasibility of maintaining a great fleet in these waters. The Pacific fleet is here to stay."

"We have found west coast harbors admirably well adapted to our necessities. Our main object now is to expand and develop."

"The Pacific fleet at present is undetermined," the admiral said. "This is due to low pay," he explained. "Not always there is the complaint that always there is the complaint that the men who returned by the tens of thousands to civil life when the war was over, will be available only at night if the occasion arises."

"Those of us who stayed on our ships to fight the submarine and washed safely for the enemy's fleet to appear, were at times when we were mistaken made by those who were the war."

RODMAN PRAISES PACIFIC FLEET

My Telegraph to The Freeman.

Berlin, April 27.—The Nationalist newspaper Deutsche Leitzeit revealed today what it alleged to be a new plot for the Communist uprising in Germany which had for its object the seizing of more than a dozen cities and the immediate declaration of a soviet republic.

Among the cities to be seized were Wittenberg, Tangermunde, Hanover, Brunswick, Munde, Göttingen, Cassel, Gotha, Jena, Leipzig, Halle, Bismarck and Halberstadt. Berlin was not included.

Details of the alleged plot included the blowing up of railroad bridges, cutting telegraph and telephone lines and destroying every means of communication in order to paralyze the movements of the Reichswehr.

According to the newspaper a secret Red army of 40,000 men already has been formulated to carry out the plot.

Robbed Lady.

The police of Hudson are on the lookout for two young men who robbed Mrs. Sophie Farber, a widow, who conducts a boarding house at Warren and Seventh streets in that city of \$1,400, her life savings. The money was in a trunk and was a handkerchief. The young man, believed to be Polish, came to her boarding house last Friday. The police believe they were professional sent to her home by a former barber.

Supervisors May Add Fund.

Governor Smith has signed the bill of Assemblyman McFarland which authorizes boards of supervisors to levy taxes and appropriate funds for the relief of the indigent blind.

CONGRESS SPLIT ON SOLDIER BONUS

My Telegraph to The Freeman.

Washington, April 27.—Soldier bonus legislation won the attention of congress today, but developments indicate that the leaders are no nearer a satisfactory solution of the problem than they were at any time during the past month.

The Rainey bill, imposing a tax on war profits, was scheduled for discussion today.

In order to prevent its passage there will be a quick line up of those members of congress who believe that business and industries are carrying taxes now about as heavy as is safe to load upon them. The result of such a movement will tend to create another faction on the legislation, and further complicate the situation.

The political side of the question was emphasized in the house by partisan speeches made by Representative Longworth, Republican, Ohio, and Green, Republican, Iowa, and Garner, Democrat, Texas. The Republicans scolded the Democrats for trying to make political capital out of the proposed legislation, and the Democrats retorted the Republicans were seeking to capture the soldier vote by a paltry bribe of \$1 or \$1.25 a day bonus.

WHOLESALE STATIONERY.

O'Reilly, With Better Facilities, to Have Traveling Salesman.

William O'Reilly, newsdealer and stationer, 520 Broadway, has enlarged his business and will go more extensively in the wholesale stationery, novelties and paper business. Mr. O'Reilly has taken the store next door to his present location and has almost made improvements to the basement where all heavy paper stock will be stored. He has also taken some extra room on the upper floor which will be used as a storeroom. Mr. O'Reilly has secured a competent and popular salesman to represent him. He will call regularly on the trade in this city and counties around Ulster. This popular store has been wholesaling stationery, postcards and other goods for a number of years but have never had a regular salesman on the road before.

Mr. O'Reilly has been hampered some in not receiving his goods from the manufacturers and inability to deliver and the trouble with freight deliveries has caused him to hold off this announcement but he expects to be fully prepared to fill all orders by the 15th of May.

MERCHANT MARINE

Senate Committee Perfecting Bill To Keep It Under Flag.

My Telegraph to The Freeman.

Washington, April 27.—Sale of the U. S. merchant marine at such time as may be advisable, with reasonable precaution that the war created fleet will remain under the United States flag, will be provided in the shipping bill being perfected by the senate commerce committee. A report on the bill is expected this week, according to an announcement made by members of the committee today.

The bill includes provisions for the operation of the fleet pending the sale and aims to protect the fleet from foreign ownership and operation, Chairman Jones of the committee says.

Pictures of Allenby's Campaign.

The illustrated lecture on "General Allenby's Conquest of the Holy Land," will be given in the Trinity Avenue Baptist Church Wednesday evening of this week at eight o'clock. Between sixty and seventy stereoscopic slides will give views of the battlefields of the Holy Land and actual scenes in the movements of the British troops. This is one of the striking military campaigns of the late war, and repeats history in a very wonderful and interesting way.

Tribute to Both.

Frank Byer, the clear dealer at 253 Fair street, showed his patriotic spirit today by displaying a large American flag in front of his store in honor not only of the birthday of the late Gen. Charles S. Grant, who was born on April 27, 1822, but in honor of Edward Atwater one of his star customers, who was born on April 27, 1856.

Barnum Receivers Discharged.

John Mack and Thomas Cusack have been discharged as receivers of the Peter Barnum estate by Justice Morchauer of Poughkeepsie, having turned over to the trustees of the estate whatever bank accounts and personal property they had. Their bond was ordered cancelled.

New Electrical Business.

A certificate under the business law has been filed at the office of the Ulster county clerk by Abraham and Louis Todoroff that they intend to conduct a business at 42 Broadway under the name of Todoroff Brothers. They will conduct an electrical business.

Other Votes On River Bill.

Senator Charles W. Walton of the 27th district was among those present at the Walker bill voting which the sale of 275 per cent bond which passed the senate Saturday. In the assembly Assemblyman Simon B. Van Wageningen of Ulster county voted in favor of it.

CHAMBER OF COMMERCE LOCATES BARTH FACTORY HERE, EMPLOYING 200 MEN

Sale of Cadwell Portion of Campbell Plant Closed Today—Will Manufacture Kitchen Equipment for Hotels—Firm Supplies Largest Hotels in the Country and Was Established in 1868.

President Charles R. O'Connor of the Chamber of Commerce has announced that L. Barth & Son of 32 Cooper Square, New York city, manufacturers of and dealers in hotel equipment made arrangements today to purchase, subject to the completion of title, of E. B. Cadwell, 25 Broad street, New York, the front building of the former Campbell Motor Car property together with about two acres of adjoining land.

They will take possession at once and will begin extensive improvements and repairs in order to put this plant in shape for the production of sheet metal work.

W. L. Cort, production manager of L. Barth & Son, has assured the Chamber of Commerce that L. Barth & Son will employ 200 men here as soon as the plant is in shape for full production and that there is good prospect that if their experience with Kingston is favorable this number will ultimately be increased several times over.

This is the industry for the location of which the Chamber of Commerce has been making special effort within the past week and it is due to the success of this effort that the transaction for the purchase of the plant has been closed.

L. Barth & Son plan to begin work at their Kingston plant with the manufacture of gas and coal ranges and other hotel kitchen equipment. They will employ male labor exclusively, outside of the office.

The Chamber of Commerce first put Mr. Barth and Mr. Cort in touch with E. B. Cadwell about six weeks ago, and has been constantly active in presenting the advantages of Kingston and in forwarding the negotiations that led to the sale of the Cadwell property to L. Barth & Son.

After conferences in New York between Secretary Hudson, Mr. Barth and the officials of the Barth Co., Mr. Cort and Mr. Reban of the Barth Co., visited Kingston where they were met by President O'Connor, Chairman Joseph M. Herbert of the Industrial Committee, C. R. Stull and A. J. Burns, members of the Industrial Committee, and visited the Cadwell plant. They were shown about the city and given further information in addition to that previously submitted in writing and in conferences between Secretary Hudson and Barth officials.

Later Mr. Barth visited Kingston, after which the conferences were continued in New York until the sale of the plant was finally consummated.

J. K. Lender, president of the Apollo Magneto Corporation, which owns the other part of the original Campbell property, together with other officers of the Apollo organization, has shown a splendid co-operation throughout all the negotiations. The readiness of the Apollo Magneto Corporation to work for the development of Kingston has been very largely instrumental in securing the location of L. Barth & Son.

L. Barth & Son furnish china and glass ware service for the Commodore and Biltmore hotels. They furnish various supplies to the Ritz-Carlton, the Vanderbilt, Park Avenue, Astor, Knickerbocker and the Waldorf-Astoria; also to the DuPont of Wilmington, Ritz-Carlton of Philadelphia and the Saint Charles of New Orleans. Among the resort hotels using Barth equipment are the Traymore and the Ambassador of Atlantic City and the Chamberlin of Old Point Comfort, Virginia.

They equip dining car systems for the New York Central, Lackawanna, Erie, etc., and have also furnished equipment to steamship lines including the Canadian and Southern Pacific. Among the places in which they have foreign business are Cuba and Bermuda.

They have been established since 1868 and now handle more than 30,000 articles of every day use in a hotel, restaurant and club. They handle kitchen and dining room equipment, also do complete outfitting of hotels and popular restaurants. They have a plant at Cooper Square in New York. Their lines include china, glassware, silver, linens, furniture, rugs and carpets, kitchen equipment, refrigerators, bakery equipment, etc.

ALLEGES NEW COMMUNIST PLOT

My Telegraph to The Freeman.

Berlin, April 27.—The Nationalist newspaper Deutsche Leitzeit revealed today what it alleged to be a new plot for the Communist uprising in Germany which had for its object the seizing of more than a dozen cities and the immediate declaration of a soviet republic.

Among the cities to be seized were Wittenberg, Tangermunde, Hanover, Brunswick, Munde, Göttingen, Cassel, Gotha, Jena, Leipzig, Halle, Bismarck and Halberstadt. Berlin was not included.

WOOD-JOHNSON
FIGHT ON IN N. J.

by Telegraph to The Freeman.
Trenton, N. J., April 27.—The Wood and Johnson forces came to grips in New Jersey today in the Republican preferential primary with both sides claiming victory.

Only the names of General Wood and Senator Johnson appeared on the ballots. Voters, however, have the privilege of "writing in" the names of other candidates if they desire. No Democratic names appeared upon the ballots.

The principal fight centered about the selection of New Jersey's "big four," for which there are eight candidates. Four of these candidates are pledged to General Wood, two to Senator Johnson and two are pledged to vote for whoever wins the primary.

A total of 28 delegates and 28 alternates will be chosen. It will be late tonight or early tomorrow before definite figures can be obtained, as the polls do not close until 9 p. m. Senator Johnson's campaign manager today claimed the state by a substantial majority. The Wood forces were equally confident.

GOLFERS MEET

And Pick Poughkeepsie For Annual Tournament.

The annual tournament of the Hudson River Golf Association will be held this year in Poughkeepsie on the course of the Dutchess Golf and Country Club, on June 17, 18 and 19. This was decided at a meeting held at the Palatine Hotel, Newburgh, on Saturday evening.

The delegates of the various clubs were guests at a dinner of Ralph Tompkins, president of the association. At the meeting which followed, the following officers were elected for the ensuing year: President, Ralph Tompkins of Poughkeepsie; vice-president, C. V. Benton, Hudson River Club of Yonkers; secretary, J. F. Barringer, Dutchess Golf and Country Club; treasurer, R. D. Clemson of the Orange County Club. The following were elected members of the executive committee, Ralph Tompkins, H. M. Smith, F. Coykendall, C. V. Benton, R. D. Clemson and J. F. Barringer. The clubs represented at the meeting were the Poughkeepsie Club, Hudson River Club, Orange County Club, Twaitskill Club and Dutchess Golf and Country Club.

GOOD WOOD, TOO.

Chicago's Dead Scientific Burglar Believed to Have Duped Women.

Chicago, April 27.—Mrs. Ida May Needham, a wealthy widow, has identified James J. Harrigan, the scientific burglar, who was killed in a revolver battle with the Chicago police Sunday, as the man whom she was about to marry last year, believing him to be a medical student. With the identification fixed by Mrs. Needham, who is worth \$100,000, the police are confident Harrigan duped women throughout the United States. Discovery that he spoke seven different languages and had traveled over the world, led them to believe he is internationally known. Fifteen detectives will search safely deposits vaults today for more loot upon which the police have set a probable estimate of \$500,000.

SAMSONVILLE

Samsonville, April 26.—All are pleased to hear that Mr. and Mrs. John Feltman have returned home. Our social club is talking of a party in the near future.

Mrs. W. G. Moore has returned from Kingston, where she has been spending a short time.

Freeman Every is moving back on his farm.

Any one having hoops for sale will do well to call and see M. Chambers.

Cecil Krom passed through this place with his new car on Tuesday.

Mrs. Kenneth Barley spent Tuesday in Palentown.

Miss Genevieve Moore is employed at Kingston at the present.

Miss Mildred Moore has been spending a short vacation at her home here.

Mr. and Mrs. Cecil Gray and Oliver Gray and sister, Maud, motored to Kingston on Tuesday.

Mrs. Minnie Barringer was called to this place on Tuesday to see her brother who is very ill.

The dance at Freeman Every's was largely attended and all report a jolly time.

WOOD RAT'S Peculiar Trick.

The wood or pack rat, common in the northwestern part of the United States, has this peculiar trait: It leaves bits of wood, leaves or trash as substitutes for the materials it carries away.

WATER GLASS EGGS EGGS

Eggs will be high and scarce next winter. Now is the time to preserve eggs for next winter's use. Water glass by gallon, quart or pint. Maben and Walker, 432 Broadway, opposite cigar factory.

Just received a carload of horses suitable for all purposes. Come and look them over. L. BASCH, 18 Ann street.

BASEBALL GOODS.

Gloves, bats, balls, bats, sports clothes, ball games, uniforms made to order. O'REILLY'S, 520 Broadway.

OUR DAILY THROUGH AND EXPRESS Prompt Service—Safe—Certain. KINGSTON TAXI SERVICE. "T" TAXI SERVICE. Telephone 541.

ST. PETERS PARISH
OVERSUBSCRIBES

Monday night at a spirited meeting the result of the enrollment campaign in St. Peter's parish was announced to the workers. After a week of quiet but efficient work the solicitors had gathered the magnificent sum of \$1,902, the returns from 656 pledge cards, or \$402 over the assigned quota. The remarkable feature of the campaign and an indisputable manifestation of the co-operative spirit of the people is the fact that over \$1,800 has been paid in cash, leaving less than \$100 to be collected on pledges. Congratulations were expressed by Father Neumann, the honorary parish chairman, to Chairman Louis Stock, to his vice chairman, Cornelius Heitzman, Mrs. Peter Fox, Robert Carter and Miss Martha Carter, also to the various captains and workers on their excellent showing, which reflects credit on them and honor to their parish. The returns of the four teams were as follows: Team No. 1, Captain Casper Ketterer, \$276 50; Team No. 2, Captain Mrs. Ezra Hallenbeck, 727 00; Team No. 3, Captain Edward Scherer, 223 00; Team No. 4, Captain Miss Connie Ringwald, 675 50.

Total, \$1,902 00. The teams and organization as constituted shall be permanent to co-operate in every possible way with diocesan and parochial work in the future.

Gratitude and felicitations were expressed by the pastor to the various committees, first of all to those who after painstaking effort compiled the list of the parish to the chairman, Cornelius Heitzman, and his assistants, Ed. Stock, Miss Pauline Stock and Miss Rita Schrowang, to those who attended to the publicity, William Gehring, assisted by Felix Huber, Nicholas Huber and Joseph Long. Last of all sincere thanks were expressed by Father Neumann to the committee on entertainment under the leadership of Mrs. Carl Laitcher, who with her assistants, Mrs. John Reis, Mrs. Frank Rist, Miss Ringwald and Miss Anna Reckenwald cheered and delighted the workers with refreshments and a tastefully prepared luncheon after the three meetings of the campaign. Enjoyment combined well with work, so that few who participated will forget the drive for Catholic charities when St. Peter's went over the top.

LEIBHARDT.

Leibhardt, April 26.—Mrs. Eliza DeWitt is confined to her home with a severe cold and grip. Dr. Fuller of Kerhonkson is treating her.

We are all glad to see the Misses Minnie, Carol and Ethel Brown out again after having the measles for the past two weeks.

Miss Elsa Root, the district superintendent of Ellenville, visited this school on Monday, April 19.

Several from this place attended the minstrel show at Norbury Hall at Ellenville, Thursday evening, April 22.

Mrs. Agnes Brown has enjoyed a couple of auto rides recently to Kingston for the first time since her accident last winter.

Our former pastor, the Rev. N. L. Heroy, preached his farewell sermon to us Sunday afternoon, April 18. Mr. Heroy, who has been our pastor for the past four years, has retired from the ministry and will make his new home at Wawarsing.

Mrs. Eugene Quick and daughter, Miss Rosa, were guests at the home of the former's mother, Mrs. Krom, last Sunday week.

Letters and cards have been received from Miss Jennie DeWitt, saying she is well pleased and has a new position in the home of Mr. and Mrs. Ewing at Ellenville.

Mr. and Mrs. Simon Miller and children are all ill with the measles.

SHANDAKEN.

Shandaken, April 26.—Mrs. E. W. Brownell of Kingston spent the week end with her parents at this place.

Mr. and Mrs. F. S. Osterhoudt made a trip to Kingston on Saturday. Mr. Osterhoudt took examination for postmaster at Shandaken.

W. D. Coons is making extensive repairs to his residence in this village.

Agnes and Ruth Fouby, who have been spending a few weeks at their home here, have returned to their school on Long Island.

Earl Holden is employed on the state road driving an auto truck. Miss Elvora Winchell of Kingston sang a solo in connection with the services in the Methodist Episcopal Church on Sunday.

Church services next Sunday will be held on the Standard eastern time. Sunday school, ten o'clock; sermon at eleven and Christian Endeavor in the evening at seven thirty.

Ward Platt who is very ill is somewhat improving.

PALENTOWN.

Palentown, April 26.—Services in the school house will not be held May 1, as the annual school meeting is to be held on that date. It will be postponed until further notice from the pastor.

Mrs. William F. Dymond has returned home after spending some time with her son, Isaac, at Sandown.

Virgil Barringer was employed by George Van Kleeck on Friday.

Mr. Henderson of the mountain was out looking for teams to draw lumber from the camp on Thursday.

A marriage of Sumnerville Heights made business trip to this place one day last week.

METTACAHONTS.

Mettacahonts, April 26.—Miss Blanche Marble spent Monday and Tuesday with her uncle and aunt, Mr. and Mrs. Charles E. Wrenn in Kingston.

Miss Ruth Krom of Kerhonkson visited her home in this place on Sunday.

Mrs. David Depp of Accord visited friends on Friday.

Mr. and Mrs. M. Kahler of Painesville called on Mr. and Mrs. C. P. Osterhoudt and Mr. and Mrs. E. F. Osterhoudt on Wednesday evening.

Mrs. A. F. Barley of Newburgh spent a few days the past week with her parents, Mr. and Mrs. A. C. Short.

Several from this place attended the New Faith, Monday. Gladys Short has returned from Wadsworth, after spending a week

RELATION OF BLUE DENIM TO THRIFT

The idea of wearing blue denim, which was first put in operation in Arkansas in an effort to force down the price of clothing, has been taken up like the alluring strains of a popular melody, and already the "Overall Brigade" is stretching itself across the country. From all parts of the Second Federal Reserve District reports come to the effect that blue denim is being adopted by both rich and poor as a means of compelling merchants to cut down the ever-rising prices of clothes.

This method, however, without a corresponding practice of economy, and without increasing production—production which heretofore was symbolized by the person in blue denim—decreasing consumption, and saving and investment in sound securities, cannot have any lasting effect, and will but tend to increase the cost of overalls. Already, cries are being heard from various parts of the state and the district that merchants, taking advantage of the "overall epidemic," are increasing the price of overalls.

Reduction in prices cannot be made certain until the public restricts its buying of unnecessary and expensive articles. If the wearing of overalls, or of any such like garb, is adopted without a corresponding practice of saving and economy, its cost is bound to go up. Already, there are reports to the effect that fashionable clothing establishments and tailors are going to introduce dress clothes made of denim.

The time has arrived when the public must buy with care and thought of service, and must curb the desire for non-essentials. If these rules are followed, the prices will soon go down and the public will be getting the value for its money that it certainly is entitled to expect from it. People do not have to pay high prices, and if they buy only clothes and other articles such as will supply their needs, and only enough for their present needs, prices will soon go down.

The public should curtail its demands and refuse to buy until prices are forced down; then manufacturers will produce clothes and other necessities at lesser prices.

Money saved through curtailing on buying non-essentials cannot be invested in a safer place than in government savings securities, such as government savings stamps, treasury savings certificates and Liberty Bonds at the present market prices.

When prices return to normal, the money safeguarded now in government securities will not only have earned excellent interest, but will have a tremendously increased purchasing power.

OUR DAILY PATTERN.

A Popular Tunic Costume.

Pattern 3215 furnishes this style. It is cut in 7 sizes: 34, 36, 38, 40, 42, 44 and 46 inches bust measure. A 38 inch size will require 5 1/2 yards of 49 inch material or 4 yards for undershirt and skirt, with 2 1/2 yards of contrasting material for over-blouse and tunic.

As here illustrated, embroidered and plain linen were combined. The model will be good also for serge, satin, taffeta, gingham, voile and crepe. The tunic portions are joined to the waist, which is cut in basque length, and on which the overblouse is adjusted. The undershirt is a two-piece model. The width of the skirt at its lower edge is 1 1/2 yards.

A pattern of this illustration mailed to any address on receipt of 12 cents in coin or stamps by The Freeman Pattern Department, Rondout, N. Y. Be sure to state size wanted. Catalogue Notice.

Send 10c in silver or stamps for our up-to-date spring and summer 1920 Catalogue containing 350 designs of Ladies', Misses' and Children's Patterns, a concise and comprehensive article on dressmaking, also some points for the needle (illustrating 25 of the various, simple stitches), all valuable hints to the home dressmaker.

See Beauty in Long Neck.

The aim of every woman of the Bureau is to help in to elongate the neck as much as possible, and to effect this a female child has a brass wire fitted around her neck, to which additional rings are added as the years go by until she is fifteen years of age, when she is turned by the length of her collar and purchased as a wife. Girls with necks over a foot

The lasting friendships made by
MAXWELL
are due to fine steels

You never forget the lasting qualities of fine shoes, fine gloves, or fine furniture. They linger in your memory.

So it is with a Maxwell. The lasting friendships for this remarkable car multiply day by day.

These are friendships built upon steels, fine steels.

Steels that equal, pound for pound, those in any car built:

They are steels that make possible that wonderful combination of light weight and great strength.

For a Maxwell is built to be light in weight. A light car means economical transportation—if its steels stand up.

Therefore, only those steels that are of brute strength combined with quality go into a Maxwell.

That means paying the very top price for its steels.

But it has earned over-increasing friendships for Maxwell.

It has given impulse to Maxwell sales. It has spread all over the world ready acceptance for Maxwell.

Reduced to figures, it shows nearly 400,000 Maxwells now in operation. 100,000 more in 1920.

Yet this number will supply but 60 per cent of the demand.

STUYVESANT GARAGE,

Too Much Tobacco Dangerous

says Doctor Cramer, formerly of Johns Hopkins Hospital. Thousands of men suffering from fatal diseases would be in perfect health today were it not for the deadly drug Nicotine. Stop the excessive use of tobacco now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just go to any up-to-date drug store and get some Nicotol tablets; take them as directed and in 10 to 15 days the nicotine habit is completely vanquished. Druggists refused the money if they fail. Be sure to read large and interesting advertisement by Doctor Cramer soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. In the meantime try Nicotol tablets; you will be surprised at the result. Country Drug Co and Ten South Pharmacy.

RUPTURE

Experts for

Men, Women and
Children

—AT—

Stuyvesant Hotel

KINGSTON, N. Y.

Representing

W. S. RICE,
ADAMS, N. Y.

Our Expert Truss Fitter

G. J. WILLIAMS

will be at the

STUYVESANT HOTEL

April 29, 30
and May 1

He will be assisted by Mrs.
G. J. Williams in fitting the
women and children. Every
ruptured man, woman or
child should take advantage
of this opportunity.

The Rice Method for Rupture is known the whole world over. You can now see this Method demonstrated and have a Rice Appliance fitted to you. Absolutely no charge unless you are satisfied to keep the Outfit after having the Appliance adjusted and you see how perfectly and comfortably it holds. No harsh, deep pressing springs; nothing to gouge the flesh and make you sore. Can be worn night and day with positive comfort. Soft, rubber-like composition pad, any degree of pressure required.

Don't wear a truss all your life when thousands have reported cures through using the Rice Method. Why suffer the burden of rupture if there is a chance to be free from truss-wearing forever? Anyway it will cost you nothing to come in and see Mr. Williams at the Stuyvesant Hotel.

Office Hours:

9 to 12 A. M., 2 to 5 P. M.
Evenings 7 to 9.

Don't miss this great opportunity to see an Expert on Rupture.

W. S. RICE,
Adams, N. Y.

HOME BUREAU AND SUMMER HATS

That the subject of summer hat making and making over hats has become an important part of the Home Bureau program, was shown last week at the Home Bureau Millinery meetings that were so well attended and by women interested in knowing how to make and remodel hats. These meetings were held at Gardiner, Allgerville and Stone Ridge. On April 27, West Shokan will also have a millinery meeting.

The millinery demonstration included the covering of the various types of frames with straw braids, the way to put on various facings and the combinations of coarse and fine straws, also the covering of frames with silk, satin, net and other materials, and various ways of trimming hats for this season. Points on remodeling frames, including changing the brim, crown, head size, etc. Ways of making some of the hand made trimmings from taffeta ribbon, etc., were also shown.

At Gardiner this meeting was held at the home of Mrs. Charles Slater and in the absence of the chairman Mrs. Herman Dubois. Mrs. John Moran presided. After the millinery demonstration an open discussion followed and many questions were asked on the subject of this meeting, and also on the last clothing meeting. The meeting was again called to order and a business meeting followed. At this time the County Home Bureau program was explained so that the women could decide on their next piece of Home Bureau work. After some discussion the subject of Civics was chosen.

The Home Bureau at Allgerville held an all day meeting at the home of Mrs. Elmer Smith the local chairman. A number of women made over and retouched hats, and one new hat was well underway before the meeting closed. Three Home Bureau members from Accord were also present. At noon everyone enjoyed the get-together lunch and social hour that had been made possible by a large committee of Home Bureau members. The making and use of a home made fireless cooker was chosen for the next meeting.

At Stone Ridge an all day meeting was held in the Grange Hall. Both sessions were well attended. Mrs. C. F. Sherman presided in the absence of Mrs. C. C. Hardenburgh, chairman. The remodeling of several hats was planned and one member had a new hat more than half finished before the close of the meeting. During the last half hour of this meeting a discussion as to the subject of the next meeting took place. It was finally put to a vote and Civics was the subject chosen.

The meeting at West Shokan will be held at the home of Mrs. Moses Bishop and an all day meeting is planned.

MISS NOONE PRAISED.

Much Credit For "Everywoman's" Success Due Her Says Writer.

Kingston, N. Y., April 26 1920.
Editor, Kingston Daily Freeman,
Kingston, N. Y.

Dear Sir:

It was my happy privilege to witness on Friday last that most admirable presentation of "Everywoman" at Kingston High School, which production was described as "flawless" in Saturday's Freeman.

I desire, through the columns of your valued paper, to add a word in praise of the one to whom most of the credit for this fine piece of work is due—Miss Mary E. Noone, of the high school teaching staff. It has been my good fortune to work under Miss Noone's inspirational guidance and I am, therefore, in a position to know that she would be the first to disclaim credit for the pronounced success of the fruit of her latest effort. In any institution of learning of the size of Kingston High School there is invariably a wealth of talent among the students. But the great difficulty lies in "finding" this talent and placing it to best advantage. That Miss Noone was most prudent in her selection will be vouched for by every member of the large audience present at the high school on Friday evening. The talent displayed by Miss Bernice Dargatzis, who impersonated "Everywoman," was, to say the least, most unusual: her every word and movement was above criticism, reflecting intelligent response to the thorough training she must have undergone.

I think that Kingston people appreciate, or should appreciate, how fortunate they are in being able to count Miss Noone among their number—in being favored with the services of one whose devotion to her chosen profession knows no bounds, and whose qualifications positively cannot be excelled anywhere.

May she continue for many years to make her influence felt in the minds and hearts of Kingston's sons and daughters throughout their earthly careers.

Yours Truly,

KINGSTONIAN

CHILD NURSER

Accuses Sister of Stealing Baby From Her.

By Telegram to The Freeman.
New York, April 27.—Police today believe they have solved a baby snatching case. A "poison pen" letter caused them to investigate a baby living in the home of John J. Nelson, a former world war sailor. Nelson is now under arrest and is said to have confessed to being the father of his sister-in-law's two months' old child. The girl is only 12 years old.

According to police, Nelson and his wife intended to adopt the child as their own. The police mother, the police said, made a statement accusing her sister and Nelson of keeping the child from her on the case that it had died.

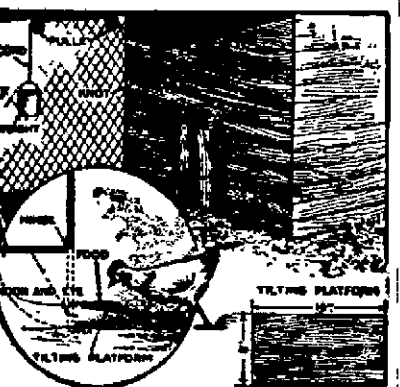

POULTRY FACTS

FOWLS OPEN DOOR OF HOUSE

Tilting Platform Arranged So That Hens May Liberate Themselves by Stepping on It.

The following is one of the simplest methods of enabling hens to open the henhouse door in the morning, thereby relieving their owner of the necessity of rising at daybreak to let them out. The door of the henhouse is hinged at the top, so that it opens outward, and the lower edge catches against the floor, so that it cannot swing inward. Near the lower edge on the outside a cord is attached, which passes upward over two small pulleys hanging from a beam. The other end of the cord supports a tin can weighted with stones, so as to be just heavy enough to pull the door open and keep it so. On the floor of the henhouse, right in front of the door, is a tilting platform, with a hook in the front edge, which fits an eye screwed into the door. The door can therefore be locked at night by catching the hook in the eye, and the pull of the cord against the door on the outside has the effect of making the hook hold securely. When the owner has locked the door in the evening, after the hens have gone to roost, he sprinkles a few grains of feed on the outward end of the tilting platform, which is now in a horizontal position, and leaves the henhouse by the large door, which he locks behind him. On the following morning, the first hen which jumps upon the platform to get at the feed tilts the platform, releasing the hook from the eye; and the weighted can on the outside pulls

Hens Unlock Poultry House Door by Stepping on Tilting Platform.

the door open. A knot in the cord, made to catch in the pulley, will prevent wrenching at the hinges.—L. Hussakof, Brooklyn, N. Y., in Popular Mechanics Magazine.

POULTRY IN PUREBRED CLASS

Entry of Peafowls Received From South Dakota Farmer—Also Turkeys, Ducks and Geese.

The first peafowls have been entered in the "Better Sires—Better Stock" crusade of the agricultural colleges, the United States department of agriculture, and co-operating agencies. The entry comes from Butte county, S. D., and the owner is J. L. Jones. He is using purebred sires in breeding horses, cattle, swine and poultry. Among his poultry he records a peacock and two peahens, also a liberal number of turkeys, geese and ducks. The campaign already is giving valuable facts and figures regarding the classes of live stock most commonly kept together on farms.

MAKE FRIENDS WITH FOWLS

Hens Will Not Do Their Best When They Run at Approach of Attendant—Feed From Hand.

Make friends with your hens. They will thrive better. You will like to care for them better. Hens cannot be at their best when they always run at the approach of their attendant. Feed a little from your hand. You will get their confidence, and more of their eggs.

ARRANGE TO PRESERVE EGGS

Those Gathered in April and May May Be Put in Waterglass and Saved for Winter.

Save eggs during April and May for winter use by preserving in waterglass. Mix nine quarts of water, boiled and cooled, with one quart of waterglass. Place the solution in a five-gallon jar. Will preserve 15 dozen eggs. Store in cool place for winter use.

COLONY HOUSES BENEFICIAL

Poultryman Enabled to Place Growing Stock on Clean Ground Reducing Disease Dangers.

Colony houses permit the poultryman to place his growing stock on clean ground each year and this reduces the danger of disease which is present when young stock is raised on the same soil over which the old birds have been ranging for many years.

Some Whispering!

According to an ancient Irish superstition, a chicken house could be haunted by whispering the ground to its right ear Fridays and to its left ear on Wednesdays till it was cured, which was merely a matter of time unless it had been born at Waterbury, in which case it was inevitable.

Everything for Everybody
ROSE-GORMAN-ROSE
KINGSTON'S LEADING STORE

THE YARN SALE AT 55c SKEIN CONTINUES

Hundreds of women selected this Pure Worsted Yarn that is worth \$1.25 a skein at this phenomenally low price last week. It is suitable for sweaters, scarfs, caps and socks, and is surely a tremendous bargain. We bought a great quantity and want to make a quick disposal of it. Hence this ridiculous price.

HIGH SCHOOL NEWS NOTES

The students of the High School are to receive a series of talks on "After High School, What?"

Last week Harry Flemming was the speaker and gave a most impressive talk. As Mr. Flemming is an attorney, he spoke from the viewpoint of "Law."

He told of the wonderful opportunities in studying law. Many business men have been successful because they have had a brief study of law beforehand. The field is one which requires hard digging and continual study. The courses taken in the colleges are long and tedious, but the study continues even after the law school graduate takes up his shingle and begins practice.

Mr. Flemming told of his personal experiences in the law school. He had had a high school education, but eight years elapsed between the time he began studying law and his last day in high school. He says that he owes his success to his high school course.

Besides encouraging the boys who are expecting to take up law, Mr. Flemming explained to the girls that there are already a number of women practicing law and more are to follow.

The next address of the series will be given in a short time.

Monday morning the boys came to school "all dolled up" in their cast-off "Sunday-go-to-meetin'" clothes. A few of them donned the overalls and jumper while yet another few were either too proud or too well supplied with good clothes to join in with the rest of the school in the movement.

Monday afternoon the girls had a mass meeting to discuss the policy of "bloomers." From the latest reports they were told that they could wear the bloomers if they wanted to.

During the game on Saturday at Highland, Matthew Cahill, the local left fielder, broke a small bone in his left wrist. Cahill was off third base ready to steal to the home plate, when he saw that he was apt to get caught and slid to save himself. He got to third all right, but he fell on his arm and in this way caused the slight break. It is hoped that the bad wrist will not keep him out of many games as Cahill is a good player with promise of becoming much better.

ESOPUS.

Esopus, April 26.—Miss Genevieve Moore and sister, Miss Mildred Moore of Kingston were guests of Mrs. Phoebe McLean on Sunday.

Mrs. Hoort left Esopus on Thursday last for New York city where she was met by her sister, Miss Hannah Habbe of Chicago and together they sailed on the steamer Bergensfjord, for Sweden, on Friday, to visit their father and other relatives.

The weekly prayer meeting of the Methodist Church will be held in the audience room on Wednesday evening of this week, April 28. The pastor, Rev. G. E. Wright, will be present and would like to see a large

Fancy Ginghams 49c

—in a variety of colors in plaids and checks. 33 inches wide.

ONE CENT A WORD ADVS. BRING RESULTS

Advertising---The Seed

In every section of our land you will find local products of merit that are hardly known in the next county or state.

Occasionally a maker of one or more of these products decides that other folks would enjoy the merits of his goods, if they could hear of them. He begins to advertise so that Mr. Maine and Miss California will have a chance to know about and to buy them.

All over the country folks ask for these goods, the local merchant sells and advertises them, and people everywhere thus get an opportunity to enjoy them, too.

Countless of the items advertised in your newspaper have been put at your disposal because advertising was the

seed that multiplied the harvest. Advertising has made it possible for you to enjoy many economical comforts today because advertising made it possible to manufacture and distribute them in quantity at prices within reach of all.

The modern home, the modern kitchen was built by advertising. Folks dress better and more reasonably today because of the advertisements.

The advertisements in your newspaper are signs of progressive merchants and makers. Read them to inform yourself on what to buy and where to buy it.

number of his parishioners there. Hereafter the prayer service will be held each week on Wednesday evening instead of Thursday as has been the custom in the past, and the pastor will preside at each meeting.

An item in the Isle of Pines "Appeal" shows that Mrs. Theodore Traver has still the same alert intellect which characterized her in the days when she resided in Esopus. At one of the gatherings of the "Carnation Club," at McKinley on March 10, a "Bird Contest" was entered into and Mrs. Traver won the first prize. A previous knowledge of birds and good guessing ability were needed in the contest and we are pleased to know that Mrs. Traver was equal to the occasion.

William Meyers of Elizabeth, N. J., was an over Sunday guest of S. E. Mott and family.

Mr. and Mrs. William J. McLain entertained Mrs. McLain's three sisters on Sunday, namely, Mrs. John Sherrard of Brooklyn; Miss Mary and Miss Hattie Paulding of Kingston. They attended the service at the Methodist Church in the afternoon and their friends in Esopus were exceedingly glad to greet them once more.

Friends and neighbors of Mr. and Mrs. Alva Drake regret the fact that they are to leave their home and move to Linden, N. J. One of a load of goods has already gone and the other will be taken the last of this week. Not only do we deplore the loss of Mr. and Mrs. Drake from the neighborhood but their granddaughter, Miss Dorothy Drake, will be greatly missed especially in the Sunday school and church services, and social gatherings. Miss Dorothy occupies a warm place in the hearts of many in this village, where she was born and reared, and many we are "sorry she is going" does not fully express the regret experienced. However we must wish them all prosperity and happiness in their new home.

Mr. and Mrs. James Markle of Cleveland, O., are visiting Mrs. Jacob Best. They will remain for about two weeks. Mr. Markle is a brother of Mrs. Best.

Elementary Gifts to the Deity.

There is an old myth that recounts the offering made by the elements as gifts to the deity. The air gave a rainbow, fire a meteor, the earth a ruby and the sea a pearl. The rainbow made a halo around the god. The meteor served as a lamp. The ruby decorated his forehead and the pearl was worn upon his breast.

OIL COOK
STOVES

OIL WATER
HEATERS

Kerosene Replaces Coal

MAKE your cooking quick, comfortable, and inexpensive. A Florence makes all canning, baking, broiling, and cooking so convenient and pleasant that you no longer think from them even on the hottest days. Save on fuel bills—coal is expensive. Save your health—kerosene is expensive.

Come in any day this week. Let us show you how simply this strong, long-lived oil stove works. See how the turn of a lever and the touch of a match gives you a clean, hot flame close to the cooking. No wicks to tend. No danger. We will gladly tell you all about the comfort, convenience, and economy of cooking with oil.

Copyright 1919, New Era Features.

WHAT HAPPENED APRIL 27.

1915
Allies begin offensive at Ypres. British line in action. British advance slightly in direction of St. Julien. French claim success along Yser and retake Lisserne. Dardanelles fight continues along Gallipoli peninsula. French occupy Kum Kale. Italy calls home for conference her ambassadors at Paris, London, Vienna and Berlin; though to precede important action.

1916
Germans pound British lines at twenty points. Heaviest fighting at Hulluch and Loos. Artillery active at Monchy-au-Bois. Germans attack hill 60 after all night artillery preparation, but are repulsed. Pepper Hill in Verdun section under fire by Germans. Three assaults checked by French. Irish revolt spreads through south. Casement, jailed, says revolution will fail unless he leads. Tolls guards he was brought in sub. with promise of German aid.

1917
Draft bill comes before congress. Practically assured of enactment. War department begins preparations for enrollment of 2,000,000 men. \$250,000,000 will be allotted France and Italy next in war finance credit. French gain Alsace Heights against desperate resistance. German losses comprise over 200,000 in recent Alsace engagements.

1918
Situation between Holland and Germany grows less tense, though still serious. Dutch look to von Kuhlmann, German foreign secretary, not to press Holland. Rioting in Petrograd. Grand Duke Michael said to lead counter revolution. Western front quiet as Germans await reinforcements. French take Lore from von Arnim.

1919
Bolshevik forces on north front withdrawn by Trotsky and sent to face right wing of Siberians, advancing on Viatia. League of Nations made public, revised to embody Taft and Hughes's proposals. Borah says league is one of war, not peace.

INTERCHURCH HOSPITAL FUND

By Telegraph to The Freeman.

New York, April 27.—One person in every four hundred needs a bed in a hospital, is the announcement made by the Interchurch World Movement in connection with its campaign, now in progress, in which thirty denominations are setting out to collect \$366,777,572 to be devoted to missionary, educational and benevolent objects throughout the world.

The Interchurch World Movement, finds as a result of a survey of the situation in regard to hospitals and homes, that the Protestant Churches are very far from having made adequate provision for the sick. On the basis of one hospital bed being required for every 400 of population, the interchurch figures show that only 45 per cent of the Protestant Church membership is provided for. The provision made by Catholic hospitals is a good deal better, for not only are these institutions adequate to care for 100 per cent of their own membership, but they can also look after 61 per cent of the rest of the population of the United States.

A similar situation is found in regard to orphanages. The interchurch survey estimates that one destitute child for every five hundred church members needs this type of institutional care. On this basis the required Protestant capacity would be 48,728, whereas the actual capacity of Protestant homes for children is only 16,000. Here again the Catholics have been more generous in their provision. Their required capacity is 24,098, but as a matter of fact they have room in their institutions for 45,500 children.

As a first step towards adjusting this adverse balance against Protestant hospitals and homes, the thirty denominations co-operating through the Interchurch Movement have set aside in their budgets a sum of \$5,115,467 to be applied exclusively to institutions of this kind. A sum about five times as great, it is said, would be needed within the next five years to bring Protestant institutions up to the standard set by the Catholics.

New at the Union Job.

"What's the matter? Don't you like the job?"
"I like the job fine."
"Ain't the pay enough?"
"I can't complain. It's as high as anybody's getting."

"Then what's the trouble?"
"Well, it's like this, boss. I goes down and the boss puts me on the pay roll. There's nothing to do and I has it pretty soft. Then I notices a bird a followin' of me everywhere I go. I just can't shake him. Wherever I walk that bird's right behind me. So I'm scared, boss. There's something queer about this and I want to quit."
"Why, you blamed fool," said the boss, "go on back there. That guy's your helper."

Ex-Servicemen Find Work.

A nation-wide survey of the soldier employment situation just completed by Lieutenant Colonel Matthew C. Smith, head of the service and information branch, war department, shows a gratifying falling off in the number of ex-servicemen seeking work. There has also been a corresponding increase in the percentage of men put in jobs. In four weeks 22,539 former soldiers and sailors have registered with the various bureaus throughout the country, and 19,176 have been placed.

MATTERS BEFORE SURROGATE GILL

In surrogate's court the last will and testament of James Millard, deceased, late of the city of Kingston, has been admitted to probate. John R. Millard, son, and Sarah J. Millard and Minnie M. Millard, daughters, are named as executors. The value of the estate is stated to exceed \$5,000 real and \$5,000 personal. Both daughters are bequeathed share and share alike all money that deceased may have in any and every savings bank and all mortgages. To the son, all the stock of decedent in state of New York National Bank, also the lot and building thereon in the rear of the property now occupied by the son, John R. Millard, on Henry street; to daughter Minnie M. Millard 150 shares of capital stock of James Millard & Son; to daughter Sarah J. Millard 400 shares and son John R. Millard 60 shares of said stock. All the rest and residue of the estate is bequeathed to the son and daughters. Virgil B. Van Wageningen is the attorney for the petitioners.

A petition has been filed to prove the last will and testament of Henry J. Schroeder, deceased, late of the village of Saugerties. Value of estate over \$5,000 real and over \$5,000 personal. Citations issued returnable May 3rd. Mary E. Schroeder is the petitioner. Byron L. Davis attorney for the petitioner. Objections filed to the probate of the last will and testament of Mary F. Stephenson, deceased, late of the town of Wawarsing and adjournment taken until May 17th. Value of estate \$500 real; \$10,000 personal. Silas S. Shurtler is the executor. John R. Devany attorney for petitioner.

In the matter of the judicial settlement of Elizabeth Sickroth, administratrix of the estate of Nicholas Sickroth, deceased, late of the town of Woodstock, order issued to sell real estate, and adjournment taken until May 3. William H. Grogan, attorney for petitioner.

Decree ordered in the matter of the judicial settlement of Elma Churchwell and Oren W. Rose, as executors of the estate of Zachariah Rose, deceased, late of the town of Lloyd, an order made exempting estate from transfer tax.

In the matter of the application for letters of administration of the estate of Kate Freleigh Davis, deceased, late of the town of Saugerties, John M. Davis and Cornelia D. Osterhout appoint administrators.

LEIBHARDT HEIGHTS

Leibhardt Heights, April 26.—Henry S. Dewitt and Elijah Krom were in Kerhonkson on Friday with a load of lumber.

Mrs. William Hornbeck called on Eliza Dewitt, Thursday evening. Norman Dewitt was in Palastown on Tuesday.

Henry D. Dewitt and wife made a business trip to Kerhonkson on Thursday.

Norman Quick has purchased a new organ.

Norman Dewitt spent Saturday night and Sunday with Leonard Van Cleave of Talmage.

William Markle called on Henry S. Dewitt, Wednesday evening.

Elijah Krom was in Palastown on Wednesday.

We Profit Most
by Serving Best

We're interested in more than your first purchase at this store. We want you to be so well satisfied the first time, and every time, you buy anything here, that you'll come back season after season for all of your clothing wants.

That's why we are mighty particular to sell only good, reliable merchandise; and also why we make our prices as low as we possibly can to make your satisfaction complete.

Kuppenheimer
Clothes

are a great aid to us in this satisfaction-giving policy.

Every man who buys a Kuppenheimer suit or overcoat is a Kuppenheimer friend, and consequently our friend, for life.

This season, the same as every season, you can be sure of the same high quality in Kuppenheimer suits and overcoats. The styles are distinctively different, the tailoring is superb, the values are real. They're the best clothes The House of Kuppenheimer ever made us.

M. E. STEWARDS' ANNUAL MEETING

At Pine Hill Attended by 40—Officers Elected—Superintendent's Salary Raised \$200—Superintendent's Report.

The annual district stewards' meeting of the Kingston district was held at Pine Hill Monday, April 26. The Rev. Dr. George W. Grinton, district superintendent, presided. Albert Mauterstock was elected secretary and E. W. Kearney treasurer in place of W. F. Dedrick, who resigned after eleven years of service. About 40 persons were in attendance. The district superintendent's salary was increased \$200.

An adjournment was taken at noon, when a splendid luncheon was served by the ladies of the Pine Hill Methodist Episcopal Church. The pastor, Rev. S. E. Sargeant, proved himself a genial and generous host. Invitations were received from Stamford and Shandaken to hold the meeting in one of these places next April. It was referred to a committee. The report of the district superintendent was well received.

An adjournment was taken at 4 o'clock. The following district stewards from this city were in attendance: E. B. Schepmoes, A. Mauterstock, S. E. Elghmey, E. W. Kearney. The Rev. P. C. Weyant, pastor of Trinity Church, was also in attendance.

The annual report of District Superintendent Grinton follows: The Kingston district has not experienced such a winter in 20 years. Cold, snow, ice and influenza have all conspired to hinder our work. Schools and churches have been closed from two to six weeks, while in some inland places Uncle Sam has had great difficulty in delivering the mails.

One brother writes, for five weeks we have failed to have a church service because of sickness and weather conditions.

At the present time the conditions are the worst that the people have ever known. Cattle and people are dying because food can not be sent them. One woman gave birth to a babe, and it was absolutely impossible for a doctor or even the neighbors to bring her aid. Both she and the baby died, and the husband was alone for several days with their dead bodies. Under such conditions, public or personal evangelistic effort was quite out of the question.

In October, our district conference was held. It was a session of spiritual profit and power. Immediately following 13 sub district conferences were conducted at different centers with gratifying results.

Evangelistic campaigns were put on in the fall in a number of churches. About 600 conversions have been reported thus far, and we hope that the end is not yet.

A splendid community work is being done at Jefferson, plans are being formulated to use the Presbyterian Church as a house of worship, moving our church and attaching it to the other. The reconstruction plans call for the converting of this building into a two story Sunday school building and social hall. The lower floor of the Presbyterian manse will contain a reading room with an open fireplace, public library, a rest room for women, manual training room and other rooms, which can be used for games or class or committee rooms. The pastor will continue to reside in our fine parsonage. The architectural bureau in Philadelphia together with a committee of four from the churches interested, are working on these plans, which when consummated will make the church in the community an aggressive force for righteousness.

We have had no deaths among the ministers in the district this year. Our presence in this Pine Hill church today reminds us of the elect lady, Mrs. S. E. Sargeant, who passed away during the year, and whose presence brought peace and happiness wherever she went.

S. E. Myers, one of our oldest and best known local preachers in the district, retired this year, because of increasing ill health and infirmities. The prayers of his brethren will follow him, wherever he goes. Our centenary pledges are being paid with creditable regularity. A number of churches will meet their obligations in full. I think it safe to say, that at least 80% of the pledges will be paid. It will be needful for pastor's unit leaders and minute men to see to it, that the one year pledges are renewed immediately, if we maintain our standard as a district.

Our beautiful church at Coxsack was dedicated by Bishop Wilson early in the year. There is about \$4,000 indebtedness on the property. The cornerstone of the Saugerties church was laid in November. The church will cost about \$45,000, together with centenary aid of at least \$7,500, about \$52,500 is in sight at the present time. During the summer the parsonage at Ashland was entirely destroyed by fire. A neat little house has been erected. The residents of the village exhibited a fine community spirit by contributing materials and labor, approximately \$2,000 has been expended, about \$500 indebtedness remains.

The salaries of the preachers in the district for 1920 and 1921 will show an increase of more than \$11,000. About \$2,000 of this amount has been appropriated by board of home missions, the balance comes direct from the churches involved. Of course this result is impossible where the laymen do not recognize that it takes two dollars to purchase what one purchased before the war. It becomes more and more difficult every day to keep the churches supplied with ministers and the reason is they are unable to make ends meet, and have to turn to some other calling.

Once again death has entered the ranks of our trustees and removed Brother E. F. Fellows of Saugerties. He was a good man; worthy and

Help Your Digestion

KI-MOIDS

Shower early on tongue—no pleasant to take, so candy. Keep your stomach sweet, try KI-MOIDS. MADE BY SCOTT & BOWNE. MAKERS OF SCOTT'S EMULSION.

well qualified. He will be sorely missed among us.

The trustees are making some needful repairs on the district parsonage and have also added some necessary furnishings. These will cost from \$200 to \$250. Next spring the entire house will have to be painted on the outside.

The statistical tables when published will show the following: Pastors salaries increased \$5,191. Other increases are as follows: District superintendents claim \$308; bishops 62 conference claimants \$1,275. Increase in adult baptisms 155—infants 52—baptized children under instruction increase 152. Preparatory members received increase 200. Preparatory members now on roll increase 91. Full members decrease 5. Non resident members increase 1,135, Sunday school scholars increase 182, Epworth League increase 88, Junior League increase 21.

Everything considered the returns are quite favorable and the pastors and workers in the churches, under the blessing of God deserve all the credit. The decrease of five in the membership is due to the fact that church records were pruned by wholesale, 1,135 members made non resident in one year is enormous. Let me suggest that we observe more moderation in this regard and move cautiously, not letting a record go for ten years and then cutting it in half, but revising it yearly.

After a number of years of service our District Treasurer W. F. Dedrick contemplates resigning from this important office—while he has filled with credit to himself and profit to the district. We regret the necessity that calls for this action, and extend to Brother Dedrick our most sincere thanks for his unselfish and painstaking care in this department.

I cannot bring this report to a close without reminding you as well as myself that our main business is to spend and be spent for Jesus Christ. Is it too much to hope that every week in all our churches some one through our prayers, our influence, our teaching be led into a larger and fuller relationship with Jesus Christ our Lord, and that others may become his followers, who up to this time have only nominally and half heartedly espoused his cause.

I pray that it may be so. Cordially and Affectionately Yours,

GEORGE W. GRINTON.

SAUGERTIES

Saugerties, April 26.—Saugerties Chapter, D. A. R., recently offered a prize of five dollars in gold for the best essay written by a high school girl on the topic, "Washington's Farewell Address and Its Bearing on Modern Times." The judges, consisting of Mrs. F. E. W. Darrow, Rev. Kenneth Buchanan and George F. Kaufman awarded the prize to Miss Elsie Borgardus of West Bridge street.

Nye B. Reardon of Montreal, Canada, who had been spending the past week with Mrs. F. K. Gifford on Division street, has returned to his home.

Mrs. Huyck of Kingston is visiting Mrs. William Genthner on Main street.

Rev. James L. Amerman of Cobleskill has accepted the call of the Blue Mountain church to become its pastor.

John T. Washburn of Barclay Heights gave a very interesting address in regard to his recent trip to California in Trinity Episcopal parish house on Sunday evening.

Edward Reynolds of New York city is visiting his brothers on the South Side.

A number of people from this place attended the play, "Everywoman" in Kingston on Friday night.

Miss Rose Kenney of Partition street was a Kingston visitor on Friday.

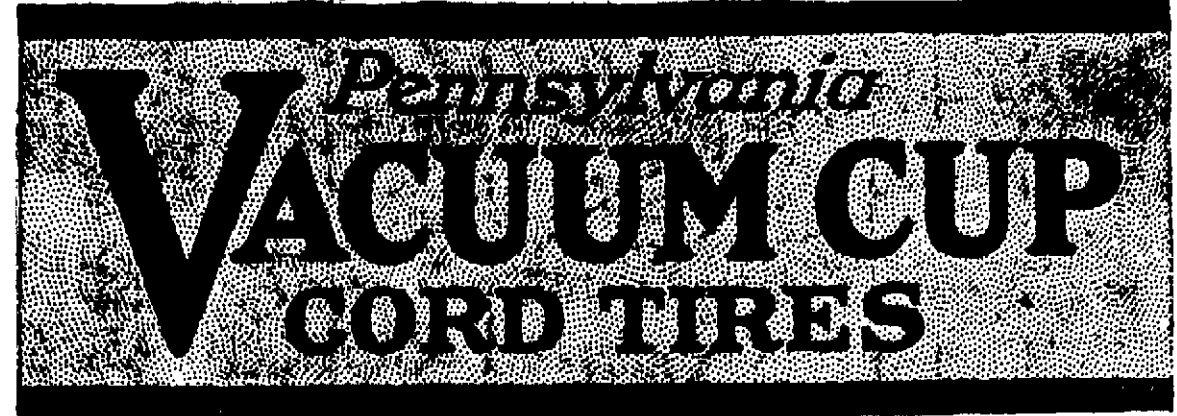

AT THE THEATRE

Myrtle-Harder Well Liked at Opening—Quartet at Kenney's.

"The House of Glass" was well handled by competent players at the Kingston Opera House last night where the Myrtle-Harder opened an engagement for the entire. It is quite refreshing to witness a well staged, interesting play with living, breathing actors and actresses handsomely groomed and well to look upon. Such was the initial appearance of this company in Kingston and every one proved a worthy selection for their particular part in a very interesting play. The attraction for tonight will be William Collier's stage success, "Nothing But the Truth."

"The Right of Way," starring Bert Lytell, is the attraction at Kenney's tonight and tomorrow. The story by Sir Gilbert Parker was tremendous as a stage play and as a photoplay it is even more delightful. The Gypsy Quartet proved that they could sing and brought forth round after round of applause.

Charles Ray in "Bill Henry" at the Auditorium tonight offers his favorite, a rare treat and it's a corking good story with the inimitable Ray at his best and all jammed up with his new patented electric vibrator. Billy West is also a treat and he's here too. Tomorrow Tom Moore in "Hearts and

Compare These Prices

—standardized net and uniform throughout the United States—with those of ordinary makes.

They refute the idea that quality and high prices must of necessity be inseparable.

The prevailing very moderate prices of Vacuum Cup Tires and "Ton Tested" Tubes are the result of an efficient plant organization, working in a most modern factory which employs every improvement and labor saving device, and marketing under an economical zone selling system, thus attaining a perfect balance of highest quality at reasonable prices.

Pay no more than the standardized net prices for Pennsylvania products—do not expect them for less.

Adjustment basis—performance tag attached to each casing:

"California Syrup of Figs"
Child's Best Laxative

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless physic for the little stomach, liver and bowels. Children love its fruity taste. Full directions on each bottle. You must say "California."

Defies Age by Using
Howard's Buttermilk
Cream for Complexion

This Pretty Girl Tells Us—Look Not to Take Away My Beauty. This Defying New Vanishing Cream Quickly Shows a Decided Improvement.

Buttermilk Cream creates beauty—like no other. The most wonderful thing about it is the fact that while it turns the dull, non-lustrous complexion to radiant beauty and makes the skin soft and smooth, it does not leave a trace of white, yet there is not the slightest sign of its use. It actually vanishes from sight and the most heated atmosphere will not produce the least skininess or greasiness of the skin.

No matter whether you are troubled with a poor complexion, wrinkles, redness around the eyes, freckles, cross feet or lines around the mouth, ugly finger nails, or just a simple roughness of the face, hands or arms caused by wind or sun, you will find that out of all these troubles will quickly disappear with the use of Howard's Buttermilk Cream. Manufacturer, Howard Bros. Chemical Co., Buffalo, N. Y.

Good Printing

THE kind of printing that pays dividends is the kind you should have. Fast, steady, poorly arranged printed matter is worse than none. The quality of your business is often judged by the quality of your stationery—superior printing gives an impression of competence that is hard to overcome, while good printing conveys a sense of confidence and reliability.

We produce only Quality Printing. Whether you want an inexpensive business card or a handsome letterhead, if you order it from us you will be sure of getting good work. We have the equipment and the "know-how" that enables us to produce really good printing at a price that is reasonable. This is the only kind of printing that

FAKE FERTILIZERS ON THE MARKET

Law Evaded in Various Ways By Putting Out Worthless "Soil Vitalizers" and "Nature's Combinations."

Beware the "soil vitalizers," "nature's combinations" and similar products being placed on the market to get the farmers' money and give him no real plant-food in return, warns the state college of agriculture at Ithaca.

While the fertilizer industry the college says is on a higher plane than it was a decade or so ago, still materials are being advertised that are nothing more nor less than straight out-and-out swindles. The law is shrewdly evaded by referring to the materials as fertilizer substitutes, soil vitalizers, nature's combinations, and the like.

These "patent medicine fertilizers" are not guaranteed to contain any definite amount of plant-food, but are claimed to take the place of fertilizers. In fact, not infrequently, emphasis is placed upon the possible injury which results from the use of ordinary fertilizers.

During the war there was a temporary decline in the fake fertilizer industry, due probably to the fact that food production became of such paramount importance that there was no place for anything but bona fide fertilizers. Now there seems to be an attempt to make up for lost time and numerous materials are appearing on the market this spring.

Various mixtures of "soil bacteria," are apparently most popular this season. They are claimed to afford a short cut to permanent soil improvement and profitable crop production. In price they go as high as \$1 a pound or in large shipments \$12.50 a ton. During the war the secretary of agriculture issued an order prohibiting one firm from selling its products, variously known as "Nature's Fertilizer," "Nature's Plant-Food" and "Soil Rectifier." There are plenty of materials just as worthless on the market today, soil experts say.

Most farmers appreciate that there is no "short cut" in economic crop production. It is always the "get-rich-quick" scheme. In farming, there is little chance of profiteering, and so far as the soil is concerned, its profitable utilization will result from the persistent use of the established systems of soil treatment and not from the application of any of these patent fertilizer substitutes.

.....
PORT EWER.
.....

Port Ewer, April 27.—The Misses Gertrude Whalen and Anna McDonald, spent the week end at their homes on Tilden and Hudson streets. Mrs. B. Sanford and her mother, Mrs. Ernest Bass, of Kingston, were guests of Mr. and Mrs. J. F. Dorris on Sunday.

Mr. and Mrs. Elmer E. Hutchings of Broadway left Monday to spend the summer at Lake Mohonk.

Warren K. Van Vleet of Broadway is spending a few days in New York city.

Rev. George E. Wright, pastor of the Methodist Church, preached two wonderful inspiring sermons Sunday.

Miss Henrietta Eisworth, who has been the guest of Miss Mary C. Eisworth on Salem street, has returned to her home in Kingston.

.....
ROSENDALE.
.....

Rosendale, April 26.—The Rev. Mr. Price preached a very interesting sermon to the members of the Independent Order of Odd Fellows at the Baptist Church on Sunday afternoon. Mrs. Ralph Lefever, who has been visiting relatives in New Jersey, has returned home.

The many friends of Mrs. J. R. Simmons were glad to see her out calling on friends on Main street on Saturday afternoon.

Leander Schoonmaker and sister have moved in the farm house of Warren Sammons.

The Ladies' Aid of the Reformed Church met at the home of Mrs. Louise Roosa on Thursday afternoon, April 22. There was a goodly number present and after the business of the afternoon was transacted a social hour was enjoyed by all present. Mrs. Roosa served delicious coffee and cake during the afternoon. The next meeting will be held at the home of Miss Fannie Ten Hagen on May 6.

Phillip Driscoll of Poughkeepsie spent the past week end with friends in this village.

Clyde Lewis is working at the Heber meat market in this village. Mrs. Harry Weap and little Helen, who went to visit relatives in New York city over Easter, have returned home.

Confirmation was held at All Saints' Church on Thursday evening and Bishop Hulse of Cuba preached a very instructive and interesting sermon from John 12:32, which was much enjoyed by the large audience which came out to hear him. Miss William Postleko sang a solo in an acceptable manner. Seven persons were confirmed by the bishop.

Miss Emily S. Barrett, the district superintendent, and Miss Schuchter, the physical training teacher, visited the Union School on Wednesday and were much pleased with the pupils who are under training of the principal, Miss Helen R. White.

Mrs. Elizabeth Foster, who has been confined to her bed with an attack of pleurisy, is much improved at this writing.

Miss Fannie Ten Hagen spent the week end with Mrs. Jesse Bowers at Poughkeepsie.

Bishop Hulse was entertained at the home of Dr. and Mrs. C. V. Haddock on Thursday night.

Mrs. Wilbur Mehl and daughter, Ruth, who have been spending the past two months at Troy, have returned home.

William Bales, who has been spending a few weeks in this village, returned to Brooklyn the past week. Emily Lewis is moving in a new

**A WORLD REBUILT**

By the Golden Rule
not by the Rule of Gold

WHAT ARE the most precious elements in American Life?

Respect for the home? Jesus found women slaves; He made them companions. Down through the ages His Church has been the champion of women's rights and aspirations.

Respect for the man who works? It was the Carpenter of Nazareth who gave labor its great charter. "You are sons of God," He said. In that sentence Democracy was born.

Respect for property? Modern business is credit; and credit is character. All that makes property safe in the world is bound up in the reverence for law that religion breeds.

Respect for education? Who gave America her colleges? They were founded by Christian ministers, almost all of them.

On these great essentials must we build a better America, and a better world. And every one of them rests on the foundations of the Christian Church.

Thirty denominations of that Church are uniting now in a simultaneous campaign.

They are uniting because the task before the Church is too great for any one denomination; because there must be no duplication of effort; no waste.

They have had the courage to survey the whole task, and to ask for a budget large enough to sustain (1) the work abroad; (2) the work at home including

the Church's part in the huge task of Americanization, (3) the colleges and (4) hospitals supported by the Churches, (5) the religious training of the young, and to provide (6) a living wage for the Church's ministers.

The appeal is to every lover of America, to you whether you are inside the Church or out. The rebuilding of the world is a spiritual task. Faith must be the cornerstone on which the new foundations are laid true; the measuring rod by which the builders build must be the Golden Rule.

Give when the call comes to you—give with your heart as well as your pocket-book

ACCORD.

Accord, April 26.—Much to the relief of the postmen the embargo on express to New York city was raised Friday afternoon.

Samuel Davis is erecting a building on his farm.

William Gentry is making some repairs to his house.

Mr. and Mrs. Herman Markle are spending some time with Mrs. Elise

Markle, who is ill. Several loads of furniture have been stored in L. M. Becker's building by a party from New York, who expects to locate near this place in the near future.

Henry Lawrence has been sewing wood for several parties in town with his outfit.

Veterinarian H. McCarthy of Ellenville was in town Saturday evening.

Charles Bennett has secured employment on the O. & W. Railroad.

Mr. and Mrs. Lutes Every entertained relatives from Stone Ridge over Sunday.

Gymnas were in town Saturday.

MISS ROCHE FOUND FIRST ENVELOPE

Miss Helen Roche, of 109 Tubby street, a telephone operator, on her way home Monday, picked up the first of these green envelopes, legal size, which S. Cohen's Sons are dropping on the streets during the next thirty days. Miss Roche later called up Cohen's store and later redeemed up Cohen's order for \$1 which was in the envelope. In each of the envelopes beside the cash prize will be found an order for two theater tickets to Keeney's theater, which are being given as an additional prize by Manager George Gildensleeve.

The first envelope was found by Miss Roche on Stephen street, near Foxhall avenue. The other twenty-nine envelopes will be found in other sections of the city, one each day.

THRIFT MOVEMENT.

Kingston Women Urge Conserving of Sugar Especially.

Mrs. Frank Thompson, president of the Kingston Federation of Women's Clubs, is receiving so many inquiries as to what the Kingston women are doing or intend to do regarding the general thrift movement that she has asked The Freeman to make the following statement and appeal.

Already the Federation has gone on record as approving and actively supporting the thrift movement which looks to the conserving of food and clothing, and the practicing of strict economy along all lines of living. Literature explaining the present economical activity has been sent to the affiliated clubs and committees of the Federation, and it is expected that at the coming meeting of the third district branch meeting to be held at Albany on May 5, a more definite and wide-spread thrift program will be presented to the women of the district. No spectacular scheme of action is planned by the women, but a definite and positive effort to conserve all of the necessities of living, especially where at present production is below par.

Mrs. Thompson's appeal is to all of the women of Kingston, whether belonging to the Federation or not, to be especially saving of sugar, least the fruit season find this section in such shape that there will be an enormous waste of fruits, for lack of sugar to preserve, thus working financial loss to many of the people of our country and to the consumers next winter. This saving cannot be too strongly urged, and almost equal in importance is that of saving and retrenching along the lines of clothing.

GYM CLASS BANQUET.

Business Men Make Merry at Y. M. C. A.

Last night at the Y. M. C. A. a banquet was held by the members of the Business Men's Gym Classes. About thirty men who for the past season have been attending the classes of Physical Director Dillinger, attended and enjoyed a bountiful repast served by Mrs. Becker of the Y. M. C. A. lunch room. Toasts as follows were responded to:

Service James Scott
Into the Net Arthur White
The Game Chester Baltz
Plans M. S. Safford

An enjoyable feature of the evening's program was a number of musical selections on the new Jazminola under the direction of Albert Hoffman.

New York Produce Market.

Milk—The nominal wholesale price is 2.35 per 100 lbs delivered in New York.

LYONSVILLE.

Lyonsville, April 26.—Don't forget the entertainment to be given in the Lyonsville school on Wednesday evening, April 28, at 8 o'clock. The program will consist of songs, recitations and a dialogue entitled, "Mother Goose at Home." Admission ten cents, ice cream, cake and candy for sale. If very stormy next fair evening.
Fred Oakley spent Saturday at Kingston.
Miss Wood Oakley has returned home after spending the winter at Kingston.
Frank Barley moved to Kingston the past Saturday.
The farmers are beginning to make their gardens.

Accident Happ.

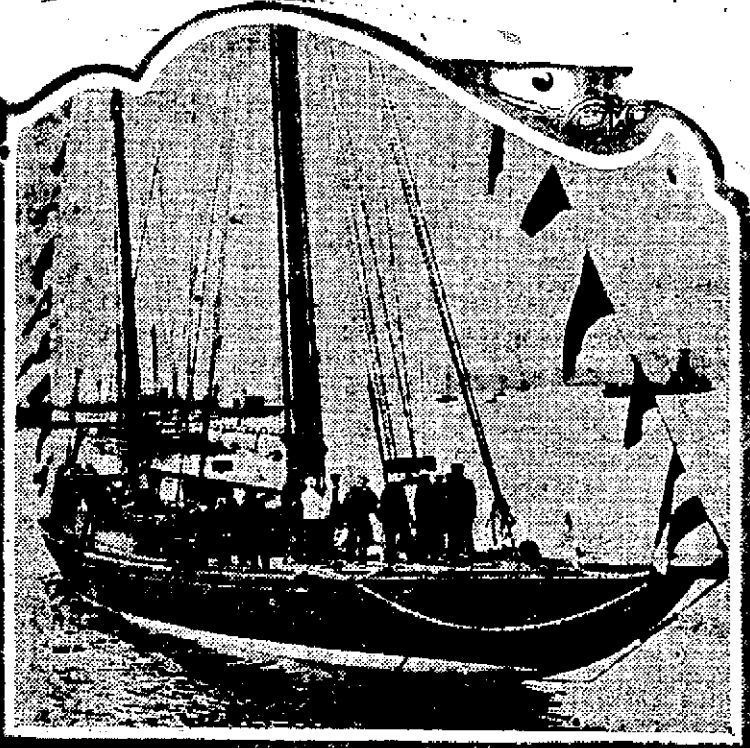

Accidenter Morris Black and Clerk William Valente are viewing real estate in the First ward preparatory to making up the assessment roll for 1921.

New Notary.

Patrick T. Tracy, Notary, has been appointed a notary public in and for the county of Ulster by Governor Alfred E. Smith.

Unable to support her three charming children, Mrs. Margaret Carden, of New York city, has been forced to give up the youngsters to others better able to care for them. The pathetic story told by Mrs. Carden, a janitress, forty-nine years old, who has spent the best years of life trying to rear a family of nine children, has resulted in good homes being found for her three youngest. "I know its best for them that I give them away for adoption," said Mrs. Carden. "I want them to have a better home than I can give them. They are all three nice, healthy children, good disposed and bright." The photograph shows, left to right, Helen, the oldest of the three, Josephine, five and Victoria, the baby.

Sir Thomas Lipton's "Shamrock III," leaving its pier at Falmouth, England, for the long voyage to America. The vessel is a trial yacht to Sir Thomas's "Shamrock IV," which has been in the country since 1914.

The protest against the high cost of clothing which has found its voice in the formation of "Overall Clubs" throughout the country, had been endorsed by Senator Dial, of South Carolina, who recently made his appearance in the senate wearing a suit of overalls. The photograph shows the senator conversing with Senator Morris Sheppard, of Texas, outside the senate building.

Revenge.
The dining car was crowded and the conductor seated me opposite a man with whom I had quarreled. Across from us sat people who knew both of us and who knew of the quarrel, but the supreme moment of embarrassment for me came when the waiter, thinking the man was my husband, took up both of our checks and presented them to him for payment.—Exchange.

His Illustrations Immortal.
Many of Dickens' pen caricatures are said to have been inspired by Hablot K. Browne, better known as "Phiz," an artist caricaturist, with whose humor the author is said to have felt the temptation to keep pace. A number of Browne's illustrations of Dickens are immortal, notable among them being Phiz's indescribably jaunty Micawber.

CATHOLIC DRIVE OVER THE TOP IN ULSTER CO.

Kingston and Ulster County's quota in Catholic Charities Drive was \$5,000 and \$11,200 was raised.

St. Mary's Workers Celebrate Tonight.

The Catholic charities drive in Kingston and Ulster county which has just closed has proven a bigger success than was expected. The quota for Ulster county had been fixed at \$5,000 and when the drive closed every parish was over the top and the total sum of \$14,200 was raised. Of that amount nearly \$11,000 is in cash, and the balance is payable by the first of June. The county had been asked to obtain 5,000 subscribers and secured 5,500.

This evening at 8 o'clock the workers of St. Mary's parish will hold a service of rejoicing at St. Mary's Hall, and all the workers who took part in the drive in that parish have been invited to be present. Shurtz's orchestra has been engaged to furnish the music for dancing and addresses will be delivered by the Rev. Dean John J. Hickey, Thomas Coughlin and John M. Cushman. St. Mary's church quota was \$3,500 and it went over the top with total subscriptions of \$5,200. The parish had also been assigned 1,500 names to obtain and subscribers to the drive and secured 1,800 names.

Harding vs. Wood in Ohio and Johnson-Wood in New Jersey are Bitter Republican Contests—Massachusetts Big Fours Unpledged.

By Telegram to The Freeman.

Washington, April 27.—Massachusetts, New Jersey and Ohio today hold state-wide presidential preference primaries, and a fourth state, Washington, at a convention, will select its delegates to the national caucus at Chicago.

A total of 125 delegates will be named.

The New Jersey and Ohio primaries are being watched from political headquarters in the capital with particular interest. Considerable significance is attached by the Republicans to the outcome. In those two states, the scenes of bitter factional struggles.

In Ohio the main contest is between Senator Warren G. Harding and Mayor-General Leonard Wood—"a favorite son"—and an outsider who refused to recognize the time-old tradition of leaving "favorite sons" and their states severely alone, but who pitched in and made hammer and tongs fight of it.

The major general probably will carry off second honors, which is all his backers wanted for him.

Another phase of the Ohio primaries being watched from the capital is the comparative standing of Senator Hiram Johnson and Herbert Hoover.

The battle in New Jersey is considered no less interesting than the Ohio one, from the Republican point of view. But in the latter state the principal bout is between Senator Johnson and General Wood.

In New Jersey, as in most states where Republican primaries have been held, the dispute between the contending factions has been unusually acrid. The Wood faction charge the Johnson group with catering to the pro-German, radical and foreign elements, generally.

The names of Wood and Johnson are the only ones printed on the New Jersey ballots. Any other Republican preference will have to be written in.

In Massachusetts none of the two sets of his four candidates is down on the ticket as pledged to any particular candidate. Some are known, however, as favoring Wood and some Hoover, while at least one, Senator Henry Cabot Lodge, has declared he stands ready to present the name of Governor Coolidge to the Chicago convention.

Iowa and Arkansas tomorrow hold state conventions to elect delegates to the Republican convention.

MISS VAN DEMARK FOUND ENVELOPE

The second of the green envelopes, legal size, put out by S. Cohen's Sons, was picked up at 2 o'clock this afternoon in front of Weber's drug store on lower Broadway.

The lucky finder was Miss Marie Van De Mark, of 753 Broadway.

American's Escape in Poland.

By Telegram to The Freeman.

Paris, April 27.—Two American Red Cross workers in Poland, Miss Mary Suchawko of Buffalo, N. Y., and Lieutenant J. W. B. Evans of Beaumont, Texas, are safe after a hazardous flight down the Dnieper river with a raft laden with orphan refugees, according to advices reaching Red Cross headquarters here today. All members narrowly escaped drowning.

Wicklow Irish Fight Soldiers.

By Telegram to The Freeman.

Dublin, April 27.—Rioting broke out early today between soldiers and townspeople of Wicklow, in county Wicklow, who turned out with a brass band to celebrate the home-coming of the Mount Joy jail hunger strikers. One man was killed and another wounded. The crowd was estimated as John Dowling, one hundred and fifty soldiers participated in the fighting.

Zelda Scher Queen of May.

The senior class May Day committee held a meeting Monday afternoon at the High School and decided to hold the May Day exercises on Friday May 7. Miss Zelda Scher will be Queen of May and John Krown will be prime minister. It was decided to hold the exercises in the auditorium during the morning hours.

Auto Hit Sanguettes Carb.

Freddie Weimore of Poughkeepsie and a party of friends motored to Saugerties to attend a meeting Monday evening. While on their way through the village the car skidded and hit the curb, tipping over. Some of the party were slightly cut about the face and body, but none were seriously injured.

Dutch Attitude On Ex-Haberd.

By Telegram to The Freeman.

London, April 27.—The Dutch government has issued an Orange Book containing the correspondence on the proposed trial of the ex-haberdasher. The Netherlands government considers the issue closed.

WILL KILL SUGAR SPECULATION

Agreement Between Government and Big Refiners To Result In Prohibition of Resales To Middlemen

By Telegram to The Freeman.

Washington, April 27.—Elimination of sugar speculation was said to be assured here today by an agreement between the department of justice and executives of the principal sugar refineries of the east.

The agreement prohibits the resale of sugar to middlemen for speculative purposes and a program was adopted under which all sales will be made direct to jobbers and wholesalers.

Attorney-General Palmer said he believed the result would be an instant check on profiteering.

FINANCIAL AND COMMERCIAL

By Telegram to The Freeman.

New York, April 27.—Price movements were confused in the early

dealings on the stock exchange today, strength a he opening being followed

by recessions in most of the active

issues. Reading continued promi-

nent, opening from 91½ to 92 com-

pared with 92½ at the close yester-

day. The stock then jumped to 93½

followed by a reaction of 93½.

Other rails generally made gains of

from 1 to 3 points. Rock Island and

New York Central gained 1 point

while Delaware and Hudson rose 3

points to 97. Southern Pacific, how-

ever, fell 86½. Steel Common rose

½ to 98½, but quickly lost this gain

Baldwin Locomotive yielded 1

point to 116½. Lackawanna Steel

rose 1½ to 83½ and Crucible 2½ to

210. Mexican Petroleum rose 2½ to

174½ and Pan-American Petroleum

after advancing 2 points to 96½, re-

acted to 95½. Transcontinental

Oil was in supply dropping 2 points

to a new low record of 15½. General

Motors dropped to 316 and Stude-

baker lost 1½ to 111. American

Woollen was again in demand ad-

vancing 2 points to 132½.

After frequent variations in price

movements, the market turned

strong in the late forenoon, nearly

all the leading issues moving up

from 1 to 4 points. Reading after

falling to 91½, rose to 94½ and

New York Central rose 2 points to

174½. Steel Common moved up to

98½, Republic Steel to 100 and

Baldwin Locomotive to 118½.

Mexican Petroleum rose nearly 4

points to 176 and Pan-American

Petroleum over 2 points to above

97. General Motors made a gain of

7 points to 324 and Studebaker rose

from 111 to 112½. Philadelphia

Company was active and strong,

rising over 3 points to 40½.

The market displayed a reaction-

ary tendency during the noon recess,

losses of from 1 to 4 points being

suffered.

HATHAWAY BUYS KEENEY'S THEATRE

Deal Put Through This Afternoon In Office of Judge Betts—Also Acquires Forman Property.

The Keeney Theatre building on Wall street, owned by Frank A. Keeney, and the Forman property in which the McBride drug store is located, passed into the hands of O. S. Hathaway this afternoon. The deal was consummated in the office of Judge James A. Betts on John street.

The Keeney Theatre is one of the most modern motion picture houses. It was opened over a year ago and run by Mr. Keeney until last summer when it was leased by O. S. Hathaway who owns the Kingston Opera House and leases the Auditorium.

W. S. FREIGHT SERVICE NORMAL

Tonight at 10 o'clock the fast freight known among railroad men as "T. W. 6" leaves Kingston for Weehawken, for the first time since the "outlaw strike." Conditions on the West Shore road are rapidly becoming normal and freight is now being accepted. At Weehawken practically 90 percent of the men who struck have resumed work.

WOOD-JOHNSON FIGHT ON IN N. J.

By Telegram to The Freeman.
Trenton, N. J., April 27.—The Wood and Johnson forces came to grips in New Jersey today in the Republican preferential primary with both sides claiming victory.

Only the names of General Wood and Senator Johnson appeared on the ballots. Voters, however, have the privilege of "writing in" the names of other candidates if they desire. No Democratic names appeared upon the ballots.

The principal fight centered about the selection of New Jersey's "big four," for which there are eight candidates. Four of these candidates are pledged to General Wood, two to Senator Johnson and two are pledged to vote for whoever wins the primary.

A total of 28 delegates and 28 alternates will be chosen. It will be late tonight or early tomorrow before definite figures can be obtained, as the polls do not close until 9 p. m. Senator Johnson's campaign manager today claimed the state by a substantial majority. The Wood forces were equally confident.

GOLFERS MEET And Pick Poughkeepsie For Annual Tournament.

The annual tournament of the Hudson River Golf Association will be held this year in Poughkeepsie on the course of the Dutchess Golf and Country Club, on June 17, 18 and 19. This was decided at a meeting held at the Palatine Hotel, Newburgh, on Saturday evening.

The delegates of the various clubs were guests at a dinner of Ralph Tompkins, president of the association. At the meeting which followed, the following officers were elected for the ensuing year: President, Ralph Tompkins of Powelton; vice-president, C. V. Benton, Hudson River Club of Yonkers; secretary, J. F. Harringer, Dutchess Golf and Country Club; treasurer, R. D. Clemson of the Orange County Club. The following were elected members of the executive committee, Ralph Tompkins, R. M. Smith, F. Cockendall, C. V. Benton, R. D. Clemson and J. F. Harringer. The clubs represented at the meeting were the Powelton Club, Hudson River Club, Orange County Club, Twaalfskill Club and Dutchess Golf and Country Club.

GOOD WOOD, TOO.

Chicago's Dead Scientific Burglar Believed to Have Duped Women.

By Telegram to The Freeman.
Chicago, April 27.—Mrs. Ida May Needham, a wealthy widow, has identified James J. Harrigan, the scientific burglar, who was killed in a revolver battle with the Chicago police Sunday, as the man whom she was about to marry last year, believing him to be a medical student. With the identification fixed by Mrs. Needham, who is worth \$100,000, the police are confident Harrigan duped women throughout the United States. Discovery that he spoke seven different languages and had travelled over the world, led them to believe he is internationally known. Police detectives will search safety deposit vaults today for more loot upon which the police have set a probable estimate of \$500,000.

SAMSONVILLE

Samsonville, April 26.—All are pleased to hear that Mr. and Mrs. John Feltman have returned home.

Our social club is talking of a party in the near future.

Mrs. W. G. Moore has returned from Kingston, where she has been spending a short time.

Freeman Every is moving back on his farm.

Any one having hoops for sale will do well to call and see M. Chambers.

Cecil Krom passed through this place with his new car on Tuesday.

Mrs. Kenneth Barley spent Tuesday in Palentown.

Miss Genevieve Moore is employed at Kingston at the present.

Miss Mildred Moore has been spending a short vacation at her home here.

Mr. and Mrs. Cecil Gray and Oliver Gray and sister, Maud, motored to Kingston on Tuesday.

Mrs. Minnie Barringer was called to this place on Tuesday to see her brother who is very ill.

The dance at Freeman Every's was largely attended and all report a jolly time.

Wood Rat's Peculiar Trick.

The wood rat or pack rat, common in the northwestern part of the United States, has this peculiar trait: It boxes his food, leaves or trash as substitutes for the materials it carries about.

Just received a cartload of bottom suitable for all purposes. Come and look them over. L. BASCH, 10 Ann street.

BASKETBALL GOODS.

one DATA TWENTY AND REPORT Through Service Safety-Courtesy.

ST. PETERS PARISH OVERSUBSCRIBES

Monday night at a spirited meeting the result of the enrollment campaign in St. Peter's parish was announced to the workers. After a week of quiet but efficient work the solicitors had gathered the magnificent sum of \$1,902, the returns from 656 pledge cards, or \$402 over the assigned quota. The remarkable feature of the campaign and an indisputable manifestation of the co-operative spirit of the people is the fact that over \$1,800 has been paid in cash, leaving less than \$100 to be collected on pledges. Congratulations were expressed by Father Neumann, the honorary parish chairman, to Chairman Louis Stock, to his vice chairman, Cornelius Heitzman, Mrs. Peter Fox, Robert Carter and Miss Martha Carter, also to the various captains and workers on their excellent showing, which reflects credit on them and honor to their parish. The returns of the four teams were as follows:

Team No. 1, Captain Casper Kettler, \$276 50
Team No. 2, Captain Mrs. Kara Hallenbeck, 727 00
Team No. 3, Captain Edward Scherer, 223 00
Team No. 4, Captain Miss Connie Ringwald, 676 50
Total, \$1,902 00
The teams and organization as constituted shall be permanent to co-operate in every possible way with diocesan and parochial work in the future.

Gratitude and felicitations were expressed by the pastor to the various committees, first of all to those who after painstaking effort compiled the list of the parish to the chairman, Cornelius Heitzman, and his assistants, Ed. Stock, Miss Pauline Stock and Miss Eliza Schrowang to those who attended to the publicity, William Gehring, assisted by Felix Huber, Nicholas Huber and Joseph Long. Last of all sincere thanks were expressed by Father Ostermann to the committee on entertainment under the leadership of Mrs. Carl Lischer, who with her assistants, Mrs. John Reis, Mrs. Frank Rist, Miss Ringwald and Miss Anna Reckenwald cheered and delighted the workers with refreshments and a tastefully prepared luncheon after the three meetings of the campaign. Enjoyment combined well with work, so that few who participated will forget the drive for Catholic charities when St. Peter's went over the top.

LEIBHARDT.

Leibhardt, April 26.—Mrs. Eliza DeWitt is confined to her home with a severe cold and grip. Dr. Fuller of Keshonk is treating her.

We are all glad to see the Misses Minnie, Carol and Ethel Brown out again after having the measles for the past two weeks.

Miss Eliza Roar, the district superintendent of Ellenville, visited this school on Monday, April 19.

Several from this place attended the minstrel show at Norbury Hall at Ellenville, Thursday evening, April 22.

Mrs. Agnes Brown has enjoyed a couple of auto rides recently to Kingston for the first time since her accident last winter.

Our former pastor, the Rev. N. L. Heroy, preached his farewell sermon to us, Sunday afternoon, April 18. Mr. Heroy, who has been our pastor for the past four years, has retired from the ministry and will make his new home at Wawarsing.

Mrs. Eugene Quick and daughter, Miss Rosa, were guests at the home of the former's mother, Mrs. Krom, last Sunday week.

Letters and cards have been received from Miss Jennie DeWitt, saying she is well pleased and has a nice position in the home of Mr. and Mrs. Ewing at Ellenville.

Mr. and Mrs. Simon Miller and children are all ill with the measles.

SHANDAKEN.

Shandaken, April 26.—Mrs. E. W. Brownell of Kingston spent the week end with her parents at this place.

Mr. and Mrs. F. S. Osterhoudt made a trip to Kingston on Saturday.

Mr. Osterhoudt took examination for postmaster at Shandaken.

W. D. Coons is making extensive repairs to his residence in this village.

Agnes and Ruth Foully, who have been spending a few weeks at their home here, have returned to their school on Long Island.

Earl Holden is employed on the state road driving an auto truck.

Miss Elndra Winchell of Kingston sang a solo in connection with the services in the Methodist Episcopal Church on Sunday.

Church services next Sunday will be held on the Standard eastern time, Sunday school, ten o'clock; sermon at eleven and Christmas Eve service in the evening at seven thirty.

Ward Platt who is very ill is somewhat improving.

PALENTOWN.

Palentown, April 26.—Services in the school house will not be held May 1, as the annual school meeting is to be held on that date. It will be postponed until further notice from the pastor.

Mrs. William P. Byrmond has returned home after spending some time with her son, Isaac, at Sandown.

Arling Harringer was employed by George Van Kleeck on Friday.

Mr. Henderson of the mountain was out looking for game on Thursday. He has made a business trip to this place one day the past week.
